Palace
Bangalore
A. Ramaswamy
Inspector General of
Police

Bangalore
10th October 1900

My dear Thimboo Chetty

Section
File No 31
Serial No

I enclose herewith a copy of the rules which we are enforcing at the Palace here as a safeguard against the introduction of Plague They are the same as were followed in 1898 and I shall be highly obliged if you will kindly have

Extract of Rules to be enforced for admission to Palace — Bangalore until further orders —

The Officer commanding Troops (Barr and Silladars) supplying guards to the Palace to be addressed with a view to such guards being always medically examined before being sent to the Palace

2. The guards to be daily examined medically at the Guard-house at 7.30 A.M Any man then absent to be subsequently produced by their Commanding Officers at the Dispensary for examination.
3. Each Commanding Officer to produce a nominal roll for the use of the medical Officer.
4. Daily health reports of Barr & Silladar Regiments to be sent to Durbar Surgeon.
5. Instructions to be issued that any man serving at the Palace shall be provided with his rations from the Palace Stores, should he wish to have them and be permitted to cook the same on the premises.
6. Horse-keepers must get their rations from Palace Stores at a rate to be fixed
7. No one to be admitted to the Palace grounds except on business.

8. Grass Cutters Mates, Bricklayers and all outside labourers shall be daily medically examined in the space between the Railway and the maingate at 7 Am None of those persons is to be admitted before 7 Am nor till after the medical examination has been completed. A nominal roll to be called Those not present at the medical Examination will receive no pay that day

9. All gates except the main-gate to be closed to outsiders.

10. The Superintendent of the Tail to be asked to send to the Palace only gangs which have been medically examined that same morning (Both prisoners & warders)

11. All resident servants to be mustered at 8 Am near the Bidari for medical examination

12. No resident servant shall leave the Compound without a pass signed by a superior officer of his department

13. Every such man leaving the Compound shall change his clothes at the main gate, leave his first set there with the guard, and on return change again leaving the clothes used outside for two hours in the sun on the clothes line by the maingate in charge of the Reserve Police. Further on returning each man shall dip his feet in the bath of disinfecting fluid kept at the

main gate

14. The Reserve Offrs have orders to allow no one to go out without a pass and to see that the orders about changing clothes and washing feet are complied with
